

ATTENDANCE POLICY

Drafted by: Suffolk County Council

Version Number: V1.0

Review Date: Annually

Date: 25th April 2025

Signed:

Chair of LGC: Peter Johnson

School Address: Brooklands Primary School
Palfrey Heights
Brantham
Manningtree
CO11 1RX

Part of the Orwell Multi Academy Trust
Registered in England and Wales, Company Number: 10650092

WHERE LEARNING IS UNSTOPPABLE AND ASPIRATIONS HAVE NO LIMITS

The name and contact details of the senior leader responsible for the strategic approach to attendance in our school, is:

Christine Davy
office@brooklands.omat.org.uk
01206 392291

The name and contact details of the school staff member pupils and parents should contact about attendance on a day-to-day basis is:

Lucia Cooke
office@brooklands.omat.org.uk
01206 392291

The name and contact details of the school staff member pupils and parents should contact for more individual support with attendance (Attendance Officer/Pastoral Support Worker/Head of Year etc):

Mike Waddell
office@brooklands.omat.org.uk
01206 392291

Pupil Attendance Policy

Introduction and Background

Brooklands recognises that positive behaviour and good attendance are essential in order for pupils to get the most of their school experience, including their attainment, wellbeing and wider life chances.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly, on time. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

The Department for Education (DfE) has produced statutory guidance for maintained schools, academies, independent schools, and local authorities. It is called "[Working together to improve school attendance](#)" and it includes a National Framework in relation to absence and the use of legal sanctions. Our School Attendance Policy reflects the requirements and principles of that guidance.

This policy is written with the above guidance in mind and underpins our school ethos to:

- promote children's welfare and safeguarding;
- ensure every pupil has access to the full-time education to which they are entitled;
- ensure that pupils succeed whilst at school;
- ensure that pupils have access to the widest possible range of opportunities at school, and when they leave school.

It has been developed in consultation with the Trust Board, school governors, teachers and the Local Authority. It details the responsibilities of individuals and groups involved and the procedures in place to promote and monitor pupil attendance.

In addition, all schools follow the DfE's statutory safeguarding guidance, Keeping Children Safe in Education, which emphasises the importance of understanding the potential vulnerabilities of children who are missing or absent from education.
<https://www.gov.uk/government/publications/keeping-children-safe-in-education--2>

Our policy aims to raise and maintain levels of attendance by ensuring attendance is closely monitored and acting early to address patterns of absence. For our children to gain the greatest benefit from their education it is vital that they attend regularly and be at school, on time, every day the school is open unless the reason for the absence is unavoidable. Pupils must attend school every day, unless there are exceptional circumstances, and it is the Headteacher, not the parent, who can authorise the absence.

Promoting Regular Attendance

At Brooklands school, we believe in developing good patterns of attendance and set high expectations for the attendance and punctuality for all our pupils from the outset. It is a central part of our school's vision, values, ethos and day to day life. We recognise the strong connections between attendance, attainment, safeguarding and wellbeing.

Helping to create a pattern of regular attendance is the responsibility of parents, pupils and all members of school staff.

To help us all to focus on this, we will:

- Submit a daily attendance return to the Department of Education, in line with the legal expectations placed on all schools;
- Build strong relationships and work jointly with families;
- Give parents/carers details on attendance in our newsletters and promote the benefits of high attendance;
- Accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence as required by law;
- Celebrate excellent attendance;
- Reward good or improving attendance;
- Report to parents/carers regularly on their child's attendance and the impact on their progress;
- Contact parents/carers should their child's attendance fall below the school's target for attendance.

Understanding Types of Absence

Any absence affects the routine of a child's schooling and regular absence will seriously affect their learning journey and ability to progress. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parental responsibility and allowing absence from school, without a good reason, creates an offence in law and may result in prosecution.

Every half-day absence from school has to be classified by the school (not by the parent), as either authorised or unauthorised. This is why information about the cause of any absence is always required. Each half-day is known as a 'session'.

Authorised absences are morning or afternoon sessions away from school for a genuine reason such as illness (although you may be asked to provide medical evidence for your child before this can be authorised e.g. doctors note, prescription, appointment card), medical or dental appointments which unavoidably fall in school time (evidence of an appointment card needs to be provided), emergencies or other unavoidable cause. It is for the Headteacher to determine whether an absence is authorised, not the parent.

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been granted. This type of absence can lead to the school referring to the Local Authority for penalty notices and/or legal proceedings.

Unauthorised absence includes, (however this list is not exhaustive):

- parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn;
- absences which have never been properly explained;
- children who arrive at school after the close of registration are marked using a 'U'. This indicates that they are in school for safeguarding purposes, however, is counted as an absence for the session;
- shopping trips;
- looking after other children or children accompanying siblings or parents to medical appointments;
- their own or family birthdays;
- holidays taken during term time, not deemed 'for exceptional purposes' by the headteacher, including any arranged by other family members or friends;
- day trips;
- other leave of absence in term time which has not been agreed.

Persistent Absenteeism (PA) and Severe Absenteeism (SA)

A pupil is defined by the Government as a 'persistent absentee' when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. Absence at this level will cause considerable damage to any pupil's education and we need the full support and co-operation of parents to resolve this. All pupils who have attendance levels of 90% or below are considered to be a persistent absentee.

A pupil who has missed 50% or more schooling is defined by the Government as 'severely absent'. Pupils within this cohort may find it more difficult to be in school or face bigger barriers to their regular attendance and, as such, are likely to need more intensive support.

Absence Procedures

If a child is absent from school the parent must follow these procedures:

- Contact the school by phone or email on the first day of absence before 9:15am. Phone calls will be taken from 8:30am.
- The school has an answer phone available to leave a message if nobody is available to take your call, or you may call into school personally and speak to the office staff. Please be aware that, if you leave a voicemail or email to report your child's absence, you may receive a call from the school so that we may discuss the absence before making a decision as to whether the absence is to be recorded as authorised;
- Contact the school on every further day of absence, again before 9:15am;
- Ensure that your child returns to school as soon as possible and you provide any medical evidence, if requested, to support the absence. Medical evidence may be requested where your child is having multiple periods of absence which are reported as being due to medical reasons.
- Medical evidence may be requested, or a home visit may be undertaken (however this list is not exhaustive) where there are doubts about the authenticity of the illness e.g. the family may be on holiday or have taken a day trip.
- Home visits may also be undertaken where a family has not contacted the school to explain the child's absence, your child is refusing to come to school, your child has not attended school for at least three days in succession due to reported illness or other reasons (however this list is not exhaustive).

If your child is absent we will:

- Telephone you on the first, and every subsequent day of absence, if we have not heard from you. However, it is your responsibility to contact us;
- If we are unable to make contact with parents by telephone, we will telephone emergency contact numbers, send letters home and a home visit may be made, in the interests of safeguarding;

If absence continues we may:

- Write to you if your child's attendance is below 90% / causing concern, and/or where punctuality is a concern;
- Write to you if your child's attendance is at risk of persistent absence;
- Arrange a meeting so that you may discuss the situation with our senior leader;
- Create a personalised action/support plan, such as an attendance contract, to address any barriers to attendance and make clear each person's role in improving the attendance patterns of your child;
- Offer signposting support to other agencies or services, if appropriate;
- Refer the matter to the Local Authority for relevant legal sanctions if attendance deteriorates following the above actions.

Lateness

Poor punctuality is not acceptable and can sometimes lead to irregular school attendance patterns. Good time-keeping is a vital life skill which will help children as they progress through their school life and out into the wider world.

Pupils who arrive late disrupt lessons and, if a child misses the start of the day, they can feel unsettled and embarrassed and risk missing vital work and important messages from their class teacher.

The school day starts at 8:50am and ends at 3:20pm.

Pupils must arrive in school by 8:50am on each school day.

The register for the first session will be taken at 8:50am and will be kept open until 9:10am. The register for the second session will be kept open until 1:20pm.

How we manage lateness:

- Children arriving after the registration start time are required to come into school via the school office. They should be accompanied by a parent/carer and a member of staff will sign them into our 'Late Book', you will need to provide a reason for their lateness.
- In accordance with the Regulations, if your child arrives after the register closes, they will receive a mark that shows them to be on site – 'U', but this will **not** count as a present mark and it will mean that they have an unauthorised absence;
- The school may contact parents/carers regarding punctuality concerns;

Unauthorised lateness could result in the school referring to the Local Authority for sanctions and/or legal proceedings. If your child has a persistent lateness record, you will be asked to meet with a senior leader but you can approach us at any time if you are having difficulties getting your child to school on time.

Understanding barriers to attendance

Whilst any child may occasionally have time off school because they are too unwell to attend, sometimes they can be reluctant to attend school. Any barriers preventing regular attendance are best resolved between the school, the parents and the child. If a parent thinks their child is reluctant to attend school, then we will work with that family to understand the root problem and provide any necessary support. We can use outside agencies to help with this, such as the School Nurse, Mental Health and Emotional Wellbeing support services, a Child and Family Support Worker or the relevant Local Authority team/s.

Some pupils face greater barriers to attendance than their peers. These can include pupils who live with long-term medical conditions, who have special educational needs and disabilities, or have other vulnerabilities. High expectations of attendance remain in place for these pupils. However, we will work with families and pupils to support improved attendance whilst being mindful of the additional barriers faced.

We will discuss reasonable adjustments and additional support advice from external partners, where appropriate.

Local Authority attendance support services

The Local Authority Attendance Team work strategically by offering support to schools, to reduce persistent absences and improve overall attendance.

Parents are expected to work with the school and LA to address any attendance concerns. Parents should proactively engage with the support offered, aiming to resolve any problems together. If difficulties cannot be resolved in this way, legal action may be taken.

School Attendance and the Law

In accordance with the School Attendance (Pupil Registration) (England) Regulations 2024 all children of compulsory school age must receive an appropriate full-time education (Education Act 1996). Parents have a legal duty to ensure their child attends school regularly at the school at which they are registered.

Parents may be recognised differently under education law, than under family law. Section 576 of the Education Act 1996 states that a 'parent', in relation to a child or young person, includes any person who is not a parent (from which can be inferred 'biological parent') but who has parental responsibility, or who has care of the child.

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

National Framework for Penalty Notices

There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England, of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (G, O and/or U coded within the school's registers). The 10-school week period can span different terms, school years or education settings.

Sanctions may include issuing each parent (for each child) with a Penalty Notice for £160, reduced to £80 if paid within 21 days (for the first offence). A second Penalty Notice issued within a three-year period will result in a fine of £160 per parent, per child. If a third offence is committed the matter may be referred to the local authority for consideration of prosecution via the Magistrates Court. If prosecution is instigated for irregular school attendance, each parent may receive a fine of up to £2500

and/or up to 3 months in prison. If a parent is found guilty in court, they will receive a criminal conviction.

There is no entitlement in law for pupils to take time off during the term to go on holiday or other absence for the purpose of leisure or recreation, or to take part in protest activity in school hours. In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance with the rules prescribed by the school."

The School Attendance (Pupil Registration) (England) Regulations 2024 set out the statutory requirements for schools. All references to family holidays and extended leave have been removed. The amendments specify that headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances".

Leave of absence will not be granted by the school in term time unless there are reasons considered to be exceptional by the headteacher, irrespective of the child's overall attendance. Only the headteacher or his/her designate (not the local authority) may authorise such a request and all applications for a leave of absence must be made in writing, in advance. Where a parent removes a child after their application for leave was refused or where no application was made to the school, the absence will be recorded as unauthorised. It is likely that penalty notices will be requested, in line with the National Framework and Suffolk Code of Conduct, in respect of each parent believed to have allowed the absence.

At Brooklands 'exceptional circumstances' will be defined as:

Events that are "rare, significant, unavoidable and short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time, outside of school term time.

Generally, the DfE does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation an exceptional circumstance.
(Working Together to improve School attendance s38 P18)

The headteacher may discuss the leave of absence request with other education settings and/or the Local Authority to determine any exceptional circumstances.

If leave of absence is unauthorised, the school will not provide work for children to do during their absence.

Where the headteacher believes a penalty notice would be appropriate in an individual case, the local authority retains the discretion to issue one before the threshold is met. Examples may include, where parents are deliberately avoiding the national threshold by taking several term time holidays below threshold, or for repeated absence for birthdays or other family events.

Deletion from Roll

For any pupil leaving *Brooklands*, other than at the end of year 6, parents/carers are required to complete a 'Pupils moving from school' form which can be obtained from the school office. This provides school with the following information:

- Child's name
- Class
- Current address
- Date of leaving
- New home address
- Name and address of new school

This information is essential to ensure that we know the whereabouts and may appropriately safeguard all of our pupils, even those who leave us.

It is crucial that parents keep school updated with current addresses and contact details for the pupil and the key family members, in case of emergency.

Under Pupil Regulations, all schools are legally required to notify their Local Authority of every new entry to the admission register within five days of the pupil being enrolled. In addition to this, every deletion from the school register must also be notified to the Local Authority, as soon as the ground for deletion has been met in relation to that pupil, and in any event no later than the time at which the pupil's name is deleted from the register. This duty does not apply when a pupil's name is removed from the admission register at a standard transition point – when the pupil has completed the final year of education normally provided by that school.

Absence data

We use data to monitor, identify and support individual pupils or groups of pupils when their attendance needs to improve. Schools are required to submit pupil attendance data to the Department for Education on a daily basis (Education (Information about Individual Pupils) (England) (Amendment) Regulations 2024).

Persistently and severely absent pupils are tracked and monitored carefully. We also combine this with academic tracking, as increased absence affects attainment. We share information and work collaboratively with other schools in the area and within the trust, local authorities, and other partners, when absence is at risk of becoming persistent or severe.

School Penalty Notice for School Attendance are changing from 19th August 2024

With the introduction of the new National Framework for Penalty Notices issued by DfE, the following changes will come into force for School Penalty Notice Fines issued after 19th August 2024.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

The 10-school week period can span different terms or school years.

Please note: The DfE does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.

First Offence

The first time a Penalty Notice is issued for unauthorised absence the amount will be:
£160 per parent, per child paid within 28 days.
Reduced to £80 per parent, per child if paid within 21 days.

Second Offence (within 3 years)

The Second time a Penalty Notice is issued for unauthorised absence the amount will be:
£160 per parent, per child paid within 28 days.

Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and the case could be presented straight to the Magistrate's Court. Prosecution can result in Criminal records and fines of up to £2,500. Cases found guilty in Magistrates' Court may show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.

Per Parent*, Per Child

A School Penalty Notice is issued to each parent*, for each child that was absent.
For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate penalty notices.

*Parent

Section 576 of the Education Act 1996 defines "parent" as:

- All natural (biological) parents, whether they are married or not.
- Any person who, although not a natural parent, has parental responsibility for a child or young person.
- Any person who, although not a natural parent, has care of a child or young person.
