

**Background:**

The school has received £22,922 (since September 2013), from the Department for Education to improve the quality of PE and Sport for all children at Brooklands. During the 16/17 school year Brooklands will receive £8,835. The impact of the Primary PE and Sport funding must highlight an increase in the participation, standards, attainment and progress of all pupils. Additionally, it should encourage pupils to develop healthy lifestyles and support children in reaching the performance levels that they are capable of.

**Context:**

**Table 1:** Reflects the on-going breakdown of how the Primary PE and Sport Premium has been spent at Brooklands, with details of impact.

Initiative	Pupils in receipt of PE funding by Year Group	Cost	Impact measure	Results
<p>Participation in tournaments:</p> <p>East Bergholt Pyramid Primary</p> <p>Suffolk School Membership</p> <p>Off the Wall Squash Roman Cup</p> <p>Rugby and Football tournaments against Highfields Primary School</p>	All pupils	<p>£355*</p> <p>£400*</p> <p>£120</p>	<p>Staff Perceptions</p> <p>Pupil Perceptions</p> <p>Increase participation in competitive sports.</p>	<p>Brooklands entered the Squash tournament Roman Cup for Year 3 and 4 in February/March 2017. It was our highest ranking position for Squash at Brooklands. Year 4 came 3<sup>rd</sup> out of 10 teams. These is an increase of 6 positions compared to last year’s results. This has resulted in great interest in Squash and the children have been inspired. The evidence is shown from pupil perceptions: “I love Squash now, I want to keep playing” Holly Taylor, Year 4.                      “I have grown in confidence and now believe in myself” Cydni Young, Year 4.                      “I have learnt how to play a new sport and I loved going to the courts” Sam Gilson, Year 3.</p> <p>This year we doubled the amount of children participating in the Squash tournaments. For the first time we won ‘Highest Scoring Girl’ and Holly Taylor has now been asked to go and train with Off the Wall Squash in Colchester. 10 other children from Brooklands have been classed as Rising Stars and have been invited to taster sessions in Colchester.</p> <p>26 children participated in the cross-country event at RHS. For the first time we entered a Year 4 team. The impact was 2 top 20 positions.</p> <p>Brooklands has formed links with a local school, Highfields. Brooklands has hosted 2 football tournaments and 1 rugby tournament. The impact has been better links between the schools and an increase in the amount of children being able to attend tournaments. This resulted in 100% of PP children from Year 3, 5 and 6 being able to attend a tournament.</p>
<p>Lunchtime coaching and activities</p> <p>Improving the active provision at lunchtimes</p>	All pupils	<p>£960</p> <p>£220</p>	<p>Pupil perceptions</p> <p>Participation levels</p> <p>Behaviour tracking</p>	<p>The amount of children attending clubs on Monday and Wednesday lunchtimes has doubled. We now have a Fitness Club on a Wednesday lunchtime led by Terry Regan. After feedback from children our lunchtime clubs now involve fitness sessions, running and basketball. 100% of pupils have the opportunity to participate in activities at lunch time, including football, netball, fitness, rugby and multi-sports.</p> <p>0% of behaviour incidents occurred when pupils were participating in the lunchtime coaching activities.</p>

<p>Improving the quality of teaching in PE</p> <p>Buying into a new scheme of work, assessment and planning for teachers.</p> <p>Pipers Vale Gymnastics CPD PD day for all staff</p> <p>Team teaching with Squash coaches</p>	<p>All pupils</p> <p>All pupils</p>	<p>£1,296*</p> <p>£1300*</p> <p>£510</p>	<p>Teacher evaluation.</p> <p>Pupil perceptions.</p>	<p>The imovedance scheme has now been well embedded into the Long Term plan and all teachers are using the resource across PE. 92% of Pupil Perceptions rated Imovesdance at 10 on a scale from 1-10 for being a good resource that helped them learn and improve.</p> <p>All teachers have used the planning and have said it has made an impact on their teaching of PE.</p> <p>Year 3 and 4 had Squash lessons with professional coaches from Off the Wall Squash for Spring 1. This made an impact on the tournament results and the children's confidence. The teachers increased their skills and team taught the last lessons. The Year 3 teacher met with the main coach to create some lesson plans. These are now being used and adapted in other year groups.</p>
<p>Improve the participation in after school clubs.</p> <p>Free Squash club.</p>	<p>All children attending clubs (Reception-Year 6)</p>	<p>£330</p>	<p>Club registers</p> <p>Pupil perceptions</p>	<p>Club participation has increased for all year groups. An audit of clubs and Pupil Premium children revealed gaps in Year 1 and 2. In response PP children were given priority to clubs and were given a free place. This has increased participation from 0% to 100% in Year 2 and from 0% to 50% in Year 1.</p> <p>The Squash club and tournaments has resulted in children from Year 5 and 6 now attending the Essex club at the Garrison in Colchester on a Wednesday night.</p> <p>In Spring 1 and 2 the club was offered to children attending the tournaments. This had an impact on the children and their results in the competition. The coach said that it had increased their skills and chance in the competition. The Year 4 team that attended the club came 3<sup>rd</sup> and Holly Taylor won Highest Scoring Girl out of all the children that entered.</p> <p>In Summer 1 the club is for Year 1 and 2. From pupil perceptions 100% of children rated the coach as excellent and 100% of children said that they had gained confidence and belief in themselves by attending the club.</p>
<p>Broaden experience of a range of sports and activities offered to all pupils</p> <p>Squash nets and rackets.</p> <p>OAA and fitness at the forest. Winter/Spring Olympics.</p> <p>Order of Quick sticks Hockey Equipment and Training</p>	<p>All pupils</p> <p>All pupils</p> <p>KS2</p>	<p>£765</p> <p>£20</p> <p>TBC</p>	<p>Staff CPD</p> <p>Pupil perceptions</p>	<p>The Squash equipment has enabled year groups to carry on with a sport they learnt in a club or in another year group. 100% of Year 2 have been exposed to a new sport.</p> <p>Every class was involved in a Forest Olympics day where children did different PE and OAA activities at the forest. This involved cross-country running, long jump, mud throwing and tug of war. 89% of children said that going to the forest kept them healthy. From pupil perception quotes children felt a strong link between the forest and be healthy: 'I love going to the forest because it is great exercise for our bodies' 'Our muscles grow by climbing trees and lifting logs' 'Yes especially during our Olympics at the forest we kept really healthy'.</p>

Ensure children don't miss PE lessons (Spare Kit)	All pupils	£40*	Pupil Participation	This is being used frequently. It has meant children do not miss PE and it has raised participation levels.

**Total Spent to date– 7,808.19**

*\*Money in italics is money spent in the previous term but is still making impact and ongoing.* Above in red are the initiatives that are pending a decision or price and will come out of any money carried over.

**This is taken from the Department of Education and published on the AfPE website: Vision: ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

**Objective:** To achieve **self-sustaining** improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
